I'm delighted you're taking the time to look through our Fall-Winter Collection! In these pages, you'll find inspiring projects, stamping tips, and some of the highest quality products available in the stamping and paper-crafting world. For almost two decades we've dedicated ourselves to offering you exclusive stamp images and exciting accessories so you can express yourself artistically—in minutes or hours, depending on your personal preference—and share that creativity with those you care about.

Beginning this year, we'll be coming out with our catalog twice a year, which means you'll have more project ideas and inspiration than ever before! You'll also find exclusive stamp sets and accessories that reflect current trends and needs of stampers and crafters. I'm thrilled with this change!

Thank you for your interest in stamping and the opportunity we all have to express our creativity as we reach out and touch others. I invite you to join our Stampin' Up!® family—as a customer, hostess, or demonstrator—and experience for yourself the opportunity to love what you do and share what you love.

Our Statement of the Heart (printed inside the front cover) reflects our commitment to making a difference in people's lives. On an individual level, we build relationships with customers, hostesses, and demonstrators. We also strive to make a difference on a larger scale. Our fundraisers have generated more than \$2,000,000 for charities such as The September 11th Fund, American Heart Association®, Save the Children®, the Huntsman Cancer Institute, and more.

In addition, Stampin' Up! designs an exclusive stamp set every year to help raise money for Ronald McDonald House Charities (RMHC®). With the help of our demonstrators and customers, we have contributed almost \$600,000. You play an important role in helping us make a difference!

style watch

Boho west

When you mix Bohemian with Western, you get the unconventional Boho West! Free-spirited accents and graceful, flowing flourishes soften the distressed lettering and weathered cowboy imagery of the Old West. Warm desert colors and an emphasis on texture complete the soft, timeworn look of Boho West.
