With this brochure, we're also excited to introduce our new catalog program. Beginning in July, Stampin' Up!® will publish **two catalogs a year**—one in July, another in January.

July 1 is coming fast, so be the first to schedule a workshop with your demonstrator to see some of these **great new products** in action as soon as they're available!

dear friends,

What a gorgeous collection of new stamp sets and accessories.

As I looked over these products, I found myself at a loss to choose a favorite. Of course, the Baroque Motifs are right up my alley, and the Pick a Petal set sparked my imagination immediately.

As for the accessories, I must admit that the Rhinestone brads win hands-down! The Circle brad has a contemporary feel, while the Square brad looks vintage to me. And they both provide a quick, wonderful way to add bling to your projects.

I'm sure you'll find your own favorites, and I hope you'll look forward to seeing our complete *Fall-Winter 2007 Collection* in July.
