Statement of the Heart

to love what we do
and share what we love,
as we help others enjoy creativity
and worthwhile accomplishments . . .
in this we make a difference!

At Stampin' Up!®, one of our top priorities has always been to provide you with exclusive, high-quality stamping images. Every year (and now every six months!), I look forward to seeing what our illustrators come up with.

I've found many sets in this catalog that I can hardly wait to get my hands on, and I was especially pleased to see the nice variety. My personal favorites are vintage and classic images, and several caught my eye. In addition, we have beautiful line-art images, great bold images, and at least one new set for every holiday between now and July. And our fun, whimsical images are always perfect to lighten the mood.

Of course, we've got great accessories as well—everything you'll need to create a hand-stamped card or gift. I know many of you have fallen in love with our Designer Series paper and Simply Scrappin' kits, and you'll find several new designs of these popular products. And, as always, there are hundreds of samples that spark your creativity.

Our images, however, are what set us apart. This collection contains almost 100 new stamp sets, as well as favorites that we carried over from the last catalog. I don't know if your wish list is as long as mine, but I'm confident that you'll find plenty of images to keep you busy stamping—and creating—until the next collection comes around!

"Thank you for your involvement and support of the Ronald McDonald House program. Our Stampin' Up! demonstrator, Billie Rice, has been an absolute joy to work with. I can truly say that our families and volunteers have benefited from her efforts."

HOUSE MANAGER, RONALD MCDONALD

Our Statement of the Heart (printed inside the front cover) reflects our commitment to making a difference in people's lives. On an individual level, we build relationships with customers, hostesses, and demonstrators. We also strive to make a difference on a larger scale. Our fundraisers have generated more than \$2,000,000 for charities such as The September 11th Fund, American Heart Association®, Save the Children®, the Huntsman Cancer Institute, and more.

In addition, Stampin' Up! designs an exclusive stamp set every year to help raise money for Ronald McDonald House Charities (RMHC®). With the help of our demonstrators and customers, we have contributed more than \$600,000. You play an important role in helping us make a difference!

Stampin' Up! simplifies color coordination by offering accessories in four color families, In Color, and a selection of neutral colors. When you select a color scheme, you can choose from a full range of products—such as card stock, ink pads, markers, ribbon, and eyelets—and be assured that they will coordinate. This simple process saves time and ensures perfect coordination.

Stampin' Up! offers stamp sets you won't find anywhere else! Our stamps are sold in sets of images you can mix and match, so you'll have coordinating stamps right at your fingertips. Features such as deeply etched, foam-backed rubber ensure sharp stamped images. Our stamps come unassembled, so you have the freedom to position your stamps on the blocks any way you like—centered in the middle of the block, or toward the edge for easy placement while stamping.

style watch

We're excited to share these exclusive collections inspired by this season's hot design trends. Each collection features products that coordinate in color, texture, and theme. Choose your favorite style and see how easy it is to capture today's trends in your own artwork!

Both simple and fun, the Crew Classics style (pages 8–9) offers bold stamp sets and accessories with a vivid color scheme.

Layers, textures, and embellishments complement the floral designs of the Eastern Eclectic style (pages 10–11).

With coordinating stamp sets, Designer Series paper, and Simply Scrappin™, you're sure to enjoy the updated Western/Bohemian theme of Boho West (pages 12–13).

crew classics

Simplicity defines the East Coast-inspired Crew Classics! Preppy images beautifully complement polka dots, plaids, and argyle motifs to give this style its timeless appeal. Bold colors, classic patterns, and crisp designs create the playful, collegiate look of Crew Classics.

When you mix Bohemian with Western, you get the unconventional Boho West! Free-spirited accents and graceful, flowing flourishes soften the distressed lettering and weathered cowboy imagery of the Old West. A pink and brown color palette completes the timeworn look of Boho West.

Blessings brighten  
when we count them!

THANK YOU  
for blessing my life  
in such a  
wonderful way!

A baby is a gift from  
heaven above—  
bringing joy down to earth,  
filling hearts full of love.

May God's love  
heal your sorrow, and may  
His peace replace your  
heartache with  
warm and loving memories.

May the God of love  
be the heart  
of your marriage,  
the light of your home, and  
the ever-present partner  
in your new life  
together.

Sharing with you  
the miracle of  
new hope and new life  
through the glorious gift of  
Christ the Lord.

May the miracle  
of Christmas  
find you safe in the  
Peace of God,  
warm in the  
Light of Christ.

Today is God's gift  
to you ...  
Each day you are God's gift  
to me!

A friend is someone who  
strengthens you  
with prayers,  
blesses you with love,  
and encourages you  
with hope.
