Happy Stamping!! Brandy

**How did the  
chicken know when  
to wake up?**  
He had an alarm  
cluck!! Lol!!

## DIRECTIONS

1. Cut a 5-1/2" x 8-1/2" piece of Whisper White Cardstock. Score it at 4-1/4" and fold it in half. This is your card base.
2. Use your Stampin' Blends to create a unique and colorful background!! The colors used include: *Real Red*, *Pumpkin Pie*, *Daffodil Delight*, *Granny Apple Green* and *Flirty Flamingo*  
**Tip: I used the darker color first and then added the lighter color. For example, Dark Real Red, Light Real Red, Dark Pumpkin Pie and then Light Pumpkin Pie and so on.**  
**Tip: If you wanted to.. you could add Crystal Effects or Fine Tip Glue Pen to the background. Be sure to let it dry!!**
3. Cut a 3" x 3-3/4" piece of Basic White Cardstock. Center and adhere this piece to your card front using Stampin' Dimensionals.
4. Die cut "Happy Birthday" out of Basic Black Cardstock. Use adhesive sheets or liquid adhesive to adhere your sentiment.
5. Stamp your Hey, Birthday Chick and Cupcake on scrap paper in Memento Black Ink.
6. Color your Birthday Chick and Cupcake using the following Stampin' Blend Markers: *Real Red*, *Daffodil Delight*, *Mango Melody*, *Melon Mambo*, *Granny Apple Green*
7. Once you color your Birthday Chick then die cut the image using the Stampin' Up! Hey Birthday Chick Dies.
8. Use Stampin' Dimensionals to adhere your Birthday Chick to your card front 5/8" from the top.
