- Cut a 5-1/4" x 4" piece of Old Olive cardstock. This piece is for the stamped background.
- To create the background, stamp the detailed tree leaves multiple times in Old Olive on the Old Olive cardstock. Stamp off for some for a mixture of light and dark images.
- Center and adhere the stamped background to the card front.
- Cut a 5-1/2" x 1/2" strip of Basic White cardstock. On the right side of the strip, stamp the sentiment in Early Espresso. Center and adhere across the front of the card.
- Cut a 3" x 3" piece of Early Espresso cardstock.
- Cut a 2-3/4" x 2-3/4" piece of Basic White cardstock or use a stitched square from the Stylish Shapes Dies to die cut a square. This is for the stamped image.
- Stamp the detail-lined tree trunk on the image layer in Early Espresso.
- In Early Espresso, ink up the solid tree trunk and stamp off on scrap paper. Then, stamp over the original detailed tree trunk to "fill-in" the tree with a lighter shade.
- Align the detailed leaves with the branches and stamp using Old Olive.
- In Old Olive, ink up the solid leaves and stamp off on scrap paper. Then, stamp over the original image of the detailed leaves.
- Center and adhere the image layer to the Early Espresso cardstock using dimensionals. Then, adhere to the front of the card.
- Embellish the card using Brushed Metallic Dots or Rustic Metallic Dots.
