- **Misc:** Heron Dies, Vellum Cardstock, Stampin' Dimensionals, Scissors, Adhesive

Oceanfront
#157862

Heron Habitat Bundle
#158897

CARD TUTORIAL

- Cut a 5-1/2" x 8-1/2" piece of Basic White cardstock, score at 4-1/4". Fold it in half to create the card base.
- Cut a 3-7/8" x 5-1/8" piece of Basic White. This is the background image layer.
- Use the large Oceanfront scenery stamp with Balmy Blue ink to stamp the background. For a watercolored effect, "stamp off" to achieve various shades of color.
- In Early Espresso, stamp the birds in the top right corner.
- Cut four (4) 1/8" x 5-1/8" strips of Basic White to frame the background image layer.
- Use liquid adhesive to adhere the strips around the edges of the image layer. Use scissors to trim the excess.
- Cut a 2" x 3-1/2" piece of Vellum Cardstock. This piece is for the card front.
- In Basic Gray, stamp the heron on scrap paper. Use the Heron Dies to cut it out.
- Adhere the heron to the vellum using liquid adhesive or mini glue dots.
- Add dimensionals to the back of the vellum, but only behind the heron. This will hide the foam adhesive dots. Then, adhere the vellum layer to the background image layer.
- Adhere the layered image to the card front using dimensionals.
- In Early Espresso, stamp the sentiment and cut out using scissors. Adhere to card front.
- Add texture to the envelope flap by adhering several 1/8" x 5-3/4" white strips. Use scissors to trim off excess.
