CARD TUTORIAL

- Cut a 5-1/2" x 8-1/2" piece of Basic White cardstock. Score it at 4-1/4" and fold it in half. This is the card base.
- Cut a 3-3/4" x 5" piece of Basic White cardstock. This is the image layer.
- Score all four sides of the image layer at 1/8".
- Stamp the detail-lined tree trunk on the image layer in Early Espresso.
- In Early Espresso, ink up the solid tree trunk and stamp off on scrap paper. Then, stamp over the original detailed tree trunk to "fill-in" the tree with a lighter shade.
- Align the detailed leaves with the branches and stamp using Old Olive.
- In Old Olive, ink up the solid leaves and stamp off on scrap paper. Then, stamp over the original image of the detailed leaves.
- Stamp the sentiment in Early Espresso under the tree.
- After cleaning the sentiment stamp, stamp it in Old Olive on scrap paper. Use scissors to cut the words "kindness" and "treasured". Layer and adhere them to the card front.
- Center and adhere the image layer to the card front using dimensionals.
- Embellish the card using Brushed Metallic Dots or Rustic Metallic Dots.
