## CARD TUTORIAL:

- Cut, score, and fold the Basic White gate fold card base.
- With the gate fold closed, use various colors to stamp the confetti for a fun background.
- TIP: Don't worry if the inside of the card base gets stamped because the gate fold opening isn't perfectly flush. When the card is complete, the center section will be covered.
- Gently score the Parakeet Party bottom panel layer at 5-1/2". (This paper is thinner than cardstock and may get cut if too much pressure is used when scoring.)
- Once scored, fold the Parakeet Party bottom panel layer in half. One half will be 1/8" longer. The slightly shorter side will be adhered to the gate fold. The longer side allows the panel room to open and close easily.
- With the Parakeet Party bottom panel layer folded with a bottom crease, adhere the shorter half to the middle section of the open Basic White card base (Step 1). The edge of the panel layer should be flush along the top of the card base. Once adhered, the Parakeet Party panel will open downward.
- Gently score and fold the Tahitian Tide top panel layer at 5-1/2". One half will be 1/8" longer. The slightly shorter side will be adhered over the Parakeet Party card base panel.
- With the Tahitian Tide top panel layer folded with a top crease, adhere the shorter half to the middle section of the open card base (Step 2). Align the Tahitian Tide crease slightly above the top edge of the card base. Once adhered, the Tahitian Tide panel will open upward.
- Use dies or scissors to cut out four (4) animals from the DSP as pictured.
- Adhere the elephant to the bottom of the Basic White inside image layer as pictured. Then, stamp a sentiment using Memento Black.
- With all the card panels open, center and adhere the Basic White inside image layer to the Tahitian Tide card base.
- Center and adhere the party dog image to the Basic White gate fold image layer.
- Center and adhere the Tahitian Tide and Lemon Lolly gate fold layers. Then, use Stampin' Dimensionals to adhere the Basic White image layer on top.

## CUTTING INSTRUCTIONS:

**Basic White** (card base): 8-1/2" x 5-1/2", score at 2-1/8" and 6-3/8"

**Parakeet Party Specialty** (bottom panel layer): 11-1/8" x 4-1/8", score at 5-1/2"

**Tahitian Tide Specialty** (top panel layer): 11-1/8" x 3-3/4", score at 5-1/2"

**Basic White** (inside image layer): 5-1/8" x 3-1/4"

**Tahitian Tide Specialty** (strip): 3-3/4" x 7/8"

**Lemon Lolly** (gate fold layer): 3 x 2-3/4"

**Tahitian Tide** (gate fold layer): 2-3/4" x 2-1/2"

**Basic White** (gate fold image): 2-1/2" x 2-1/4"

**Basic White** (middle image): 3-3/4" x 2-3/4"

**Parakeet Party Specialty** (strip): 4-1/4" x 7/8"

**Lemon Lolly** (front layer): 4" x 2-3/4"

**Basic White** (front image): 3-3/4" x 2-1/2"

- Adhere the Tahitian Tide strip behind the gate fold layers.
- With the top and bottom panels open, center and adhere the gate fold layers to the right panel of the closed gate fold. Be careful to only apply adhesive to the left side of the layers, otherwise, this will glue the gate fold closed.
- Adhere the ballerina deer image to the Basic White middle image layer. Then, stamp the sentiment using Memento Black.
- With the gate fold and Parakeet Party panel layer closed, center and adhere the image layer to the front of the Parakeet Party layer as pictured.
- With all the card panels closed, adhere the Parakeet Party strip across the front of the Tahitian Tide panel. Be careful not to apply adhesive to the ends of the strip, otherwise this will glue the top panel closed.
- Use Memento Black to stamp the sentiment at the bottom of the Basic White front image layer.
- Use Stampin' Dimensionals to adhere the raccoon to the Basic White image layer.
- Center and adhere the raccoon layer and the Lemon Lolly layer to the card front using Stampin' Dimensionals as pictured.
- Embellish the card with 2022-2024 In Color Pearls and Tinsel Gems Four-Pack.
- For a coordinating envelope, adhere a 6" x 2-1/2" piece of DSP to the envelope flap. Then, trim excess.
